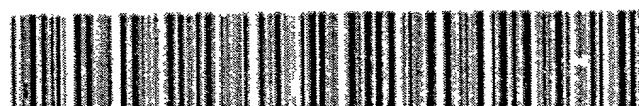

FIGURE 2

The diagram illustrates a system architecture with the following components and connections:

- 102**: A mobile phone or PDA device at the top.
- 200**: A central server or storage unit in the middle-left. It features a lightning bolt icon and two rows of data labeled **110** and **112**. Other labels include **114** for the main body and **112** for a specific section.
- 300**: A laptop computer on the right.
- 302**: A desktop unit or external storage at the bottom right, containing a small display showing the values **111111** and **123456**.

Connections are shown as follows:

- An upward arrow from the server **200** to the mobile device **102**.
- A curved arrow from the server **200** to the laptop **300**.
- A curved arrow from the server **200** to the desktop unit **302**.
